Forward-Looking Statements

This investor presentation contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The Company bases these forward-looking statements on its current beliefs, expectations, estimates, forecasts and projections about future events and the industry in which it operates. Forward-looking statements are identified by words such as “believe,” “anticipate,” “expect,” “intend,” “plan,” “will,” “should,” “would,” “project,” “may,” variations of such words and other similar expressions. In addition, statements that refer to performance; plans, objectives and strategies for future operations; and other characterizations of future events or circumstances, are forward-looking statements. The Company’s actual results could differ materially from those discussed in, or implied by, these forward-looking statements. Factors that could cause actual results to differ from those discussed in or implied by the forward-looking statements contained in this presentation are set forth in the Company's Annual Report on Form 10-K for the year ended December 31, 2013 and its quarterly and other periodic reports, its current reports and its other filings with the SEC. Developments subsequent to this presentation are likely to cause these statements to become outdated with the passage of time. This presentation was first made publicly available at www.amnhealthcare.com on August 8, 2014.
