

Leap At-A-Glance

- Leap provides innovative, high-value wireless services to a fast-growing, young and ethnically diverse customer base.
- Leap celebrated its 13th anniversary in 2011.
- With the value of unlimited wireless services as the foundation of its business, Leap pioneered Cricket® service.
- The company and its joint ventures now operate in 35 states and the District of Columbia, serving nearly 6 million customers and hold licenses for 35 of the top 50 U.S. markets.
- Leap is publicly traded on the NASDAQ National Market as "LEAP." It is listed on the NASDAQ- 100 Index, recognized as one of the largest domestic and international non-financial securities listed on the NASDAQ Stock Market based on market capitalization.
- The company is headquartered in San Diego, California.
