

# muve MUSIC™

from cricket

Launched in January, Muve Music is among the fastest growing music services in the U.S. and now, for the first time, Muve Music is available on Android. Operating on the Android 2.3 Gingerbread platform, the Samsung Vitality features Muve Music, as well as access to the Android Market, Gmail, Google Maps and Google Talk. Other features include:

- Real Web browsing at 3G speeds
- 3.5-inch HVGA touchscreen display (480 x 320 Resolution)
- 3.2 MP camera/camcorder
- Wi-Fi Certified
- 800 MHz processor
- 4GB SanDisk flash memory card, with room for 3,000 Muve Music downloads and 1GB set aside for other content, such as apps, photos and videos
- Standard lithium ion battery with up to 6.5 hours of talk time and up to 250 hours standby time
- Social networking capabilities
- Email application for both consumer and business email
- Stereo Bluetooth
- Headset jack 3.5mm
- Dimensions: 4.6 x 2.4 x .06"; Weight: 4.16 oz. w/standard battery
- Warranty: One year
- Languages supported: English/Spanish
- Suggested \$219.99 M.S.R.P.\*

Cricket Communications is the first U.S. wireless carrier to offer consumers unlimited music as part of a wireless rate plan – no subscription, no download fees and no credit card required. For \$65 a month\*, Cricket provides unlimited music and an inclusive unlimited wireless rate plan for the music lover on the go. In addition to music, unlimited rate plans also include:

- Full track downloads
- Ringtones; Ringback tones
- Nationwide calling,
- Text, picture and video messaging
- Email
- Data back up
- Mobile video

Muve Music, an unlimited music service designed exclusively for the mobile phone, delivers a robust mobile music experience that includes unlimited full track downloads, ringtones and ringback tones. Muve Music has a growing music library that features artists from 55 record labels, including those owned by Universal Music Group, Warner Music Group, Sony Music Entertainment and EMI Music. Muve Music is available across Cricket markets, with plans to launch nationwide later in 2011.

*\*Android rate plan/Samsung Vitality pricing has not yet been finalized and is subject to change*

ONE PLAN. ONE TOUCH.
