

INTRODUCING

muve MUSIC™

from cricket

We know there are two things you can't live without — your mobile phone and your music.

NOW THEY ARE ONE.

With Muve Music, Cricket is bringing together the best of wireless and music in a way no one has done before.

One affordable wireless plan.
One touch to get unlimited music on your phone.
All in **one** move.
All over our 3G network.

Now the music you love moves with you through life — never holding you back or slowing you down.

Coverage not available everywhere. We may limit or terminate your service without prior notice if you no longer reside and have a mailing address in a Cricket-owned network coverage area or if a majority of your voice and/or data usage is on a partner network during the previous month. Terms, conditions and other restrictions apply. © 2011 Cricket Communications, Inc.

ONE TOUCH

EXPLORE AND DOWNLOAD MILLIONS OF SONGS FROM TOP ARTISTS WITH THE FIRST COMPLETE MUSIC EXPERIENCE CREATED FOR A PHONE

GET MUSIC

Here's where all the music is. We're talking millions of songs, ringtones and ringback tones ready for you to search, explore and download.

MY MUSIC

Once you've downloaded the music you love, My Music automatically organizes it for you. Listen to songs, create playlists, cut ringtones and much more.

MY DJ

Here's where you'll discover new music. My DJ creates playlists for you and sends them to your phone. It does all the work, while you just enjoy the new music.

GET SOCIAL

Get Social is all about connecting with friends and other Muve Music users. You can check out their music collections, download their playlists and share what's on your phone too.

SHAZAM™

Ever hear a song somewhere that you didn't know but liked? Press Shazam™ to identify the title and artist instantly. Then download the song with the touch of a button.

MUVE MUSIC BUTTON

This button always takes you to the music. Press it once to go straight to the Music Play Screen. Press and hold it to get to the Music Home Screen.

DOWNLOAD UNLIMITED SONGS DIRECTLY TO YOUR PHONE.

CREATE RINGTONES AND RINGBACK TONES.

NO COMPUTERS | NO CORDS | NO SYNCING
