## EVERGREEN SERVICES

### IN-HOME CARE SERVICES

In-Home Care Services provides friendly and affordable non-medical care to individuals in the place they call home. Care providers can assist with bathing, dressing, and other personal care needs, along with housekeeping, errands, meal preparation and companionship.

### ADULT DAY SERVICES AT THE YELLOW HOUSE

Adult Day and Respite Service provides a safe and friendly environment for older adults to spend the day engaging in stimulating discussions, exercising, improving cognitive skills, playing games on the computer, gardening, and socializing.

### ADULT DAY SERVICES FOR DEVELOPMENTALLY DISABLED

Located near the Yellow House, the Seniors' Resource Center Extension Services Program offers comprehensive services, integrating development of life skills with community exposure and recreational opportunities for adults with developmental disabilities.

### TRANSPORTATION

Evergreen Transportation provides the general public the opportunity for increased mobility and independence through accessible and affordable transportation.

### CARE MANAGEMENT

A care manager provides information, assistance, and program/agency/community referrals. They complete client assessments and provide emergency financial assistance, application assistance, victim advocacy and support, nutritional services, and home and center visits. Additionally, care managers provide outreach throughout community involvement, educational seminars and support groups.

### YELLOW HOUSE CAFÉ

The Yellow House café provides older adults in the community the opportunity to join together for lunch, socializing and entertainment.

### VOLUNTEER SERVICES

Volunteer Services provides rewarding volunteer opportunities that enrich the lives of the volunteer and the older adults we serve in our mountain community.

### SENIOR CARE OF COLORADO PHYSICIAN SERVICES

Through an innovative, collaborative partnership with Senior Care of Colorado, the Yellow House offers highly-personalized health care services. Senior Care of Colorado practitioners practice geriatric medicine in a unique team approach ensuring someone is always available to tend to your health care needs and concerns. To access services call 303-306-4321.
