Join Judi’s House as we welcome former NFL Quarterback legends Archie Manning and Bob Griese for a personal conversation about how the loss of their fathers at a young age affected their personal and professional journeys as athletes, fathers, husbands and men. Brian Griese will lead the conversation with these two remarkable men, and take the audience from the depths of their personal struggles to the peak of their professional triumphs.

We would like to invite you and your organization to join us for this intimate and compelling conversation and to support the important work being done for grieving children at Judi’s House.

Archie Manning
Archie Manning lost his father when he was a teenager. At the time, he was attending the University of Mississippi where he was an All-American Quarterback and one of the most influential players to ever play in the Southeastern Conference. He was the SEC Player of the Year in 1969 and was inducted into the College Football Hall of Fame in 1989. Archie was the #2 overall pick in the 1971 NFL Draft by the New Orleans Saints and played 13 seasons in his career. He was twice selected to the Pro Bowl and was recognized as the NFL’s Man of the Year in 1977. Archie and his wife Olivia have 3 sons (you may have heard of) and 7 grandchildren.

Bob Griese
Bob Griese lost his father at the young age of ten. He went on to play football for Purdue University and was a two-time All-American and was voted the All-Time Quarterback for Purdue’s first 100 years. After his outstanding collegiate career, Griese was drafted fourth overall in the 1967 NFL Draft by the Miami Dolphins. He led the Dolphins to three straight Super Bowl appearances and back-to-back NFL Championships in 1972 and 1973. The 1972 Dolphins are still the only team in NFL history to finish with a perfect season (17-0). Griese also played in six Pro Bowls and was the NFL Player of the Year in 1978. He was recognized as the Walter Camp Man of the Year in 1978, was inducted into the College Football Hall of Fame in 1984, and enshrined in the National Football League Hall of Fame in 1990. Bob and his late wife Judi have 3 sons (one you may have heard of) and 7 grandchildren.

The mission of Judi’s House is to help children and families grieving a death find connection and healing, so that we may ultimately attain our vision that no child should be alone in grief.
