SENIORS' RESOURCE CENTER

www.SRCAging.org

- We provided direct services to **19,467** individuals in Adams, Arapahoe, Broomfield, Boulder, Clear Creek, Denver, Douglas, Gilpin, Jefferson and Park counties.
- **10,563** seniors were provided Coordinated Care Management Services ranging from crisis intervention to friendly visitors and referrals. **160** individuals received **\$65,777** through the emergency and energy assistance program.
- **471** seniors were provided with **87,762** hours of In-Home Care Services, which offers light housekeeping, cooking, bathing, shopping, non-medical tasks and companionship.
- Our Transportation Services program drove **4,009** older adults and the disabled to the grocery store, medical appointments, community meals and senior centers – **153,681** times.
- **273** seniors with developmental disabilities or debilitating diseases received Adult Day and Respite Care at five locations.
- **1,480** volunteers from our agency volunteers and the RSVP program provided home repairs, fraud prevention education and personal support, and contributed **192,191** hours of volunteer service to the community (equivalent to **83** full-time employees).
- Volunteers also provided home repair, friendly visits, tax return assistance, snow shoveling, and yard work to more than **2,380** seniors.
- **131** seniors who were at or below 125% of the poverty line participated in our Job Training program to help them return to the workforce.
- Information and education outreach served **125,606** people through community resource fairs, presentations and unique website visits.
